- 9- Two veterinary officers who actually hold the post of chief of central administrations in the Organization, to be selected by the competent minister.....Members.
- 10- Four members well known for their expertise and efficiency in their fields of specialization which should be in line with the activities and aims of the Organization. They are to be appointed and their financial reward is to be fixed at a decision taken by the Minister of State for Agriculture and Food Security as proposed by the Chairman of the Board of Directors of the Organization. Their term of office is for two years that can be renewed..... Members.
- Article 10: The appointed chairman of the board of directors should be a veterinarian. He is appointed by a Decree of the President of the Republic at the nomination of the competent minister. The Decree will fix his selary and allowances.
- Article 11: The Eoard of Directors of the Organization is the higher authority which controls its affairs and proposes its general policy. It will also take the necessary decision to achieve the Organization's aims and will in particular : 1- Prepare the draft rules of procedure and decision concerning financial, administrative and technical affairs without binding itself by any government regulation. 2- Prepare draft regulations pertaining to the appointment of civil servents at the Organization their promotions.

transfer and dismissal and also fix their salaries, allowances and incentives taking into consideration that such salaries, allowances and incentives will in no way exceed the maximum of what has been stated in the Government's Civil Service Law .

- 3- Approve the annual budget of the Organization.
- 4- Lonsider any question that falls within its competence when referred to it by the Minister of State for Agriculture and Food Security or the Lhairman of the Board of Directors.
- 5- Consider periodic progress reports and other reports on the financial situation of the Organization. The Board of Directors may delegate some of its powers to a committee composed of some of its members, to the Chairman of the Board or to the Director of the Organization. The Board may authorise one of its members or directors to carry out a specific task.
- Article 12: The Board of Directors is to meet at least once a month at the invitation of the Chairman. The meeting shall be valid only when the majority of the members is present. The decisions are carried by a vote by the majority of members. In case there is a tie, the Chairman's side will prevail. The Board may invite experts to attend its meetings without granting them the right to vote.
- Article 13: The Cheirman of the Board of Directors shall communicate the Board's decisions to the Minister of State for Agri-

- 7 -

culture and Food Security within seven days as of the date of their adoption. In case the decisions are not approved within 15 days as of the date of their communication to the Minister they shall be considered valid. In case the Minister objects to these decisions during the said period; they should be reconsidered by the Board in the light of the Minister's notes. Once more, they will be presented to the Minister to take any pertinent decision.

- Article 14: The Chairman of the Board of Directors is entrusted, besides the other questions that fall within his competence as set forth by laws and other decisions, to undertake the following: 1- Implementation of the decisions of the Board of Directors. 2- The management of the Organization development of its activities and consolidation of its bodies, organs and machineries.
 - 3- Providing the Minister of State for Agriculture and Food Security and the State's organs with any information, document or data they may require. The Chairman of the Board of Directors may delegate some of his powers to a director pr directors.
- Article 15: The Chairman of the Board of Directors is the sole representative of the Organization vis a vis other organizations, individuals or courts of law. He is also responsible for the implementation of the public policy designed to achieve the eims of the Organization.

- Article 16: The Hinister of State for Agriculture and Food Security may temporarily second to the Organization, an official to hold the post of Chairman in case of his absence or vacancy of the post.
- Article 17: All rules of procedure of the Organization governing financial and technical matters are to be set forth in a decision taken by the Minister of State for Agriculture and Food Security after the approval of the Board of Directors. The statutes in force, in the administrative machinery of the State shall not be binding to the Organization.
- Article 18: Civil servants working at the Central Administration of animal health are to be transferred to the Organization. The staff members shall keep their seniorities and grade levels. They shall also enjoy their former allowances and bonuses. The financial allocations of the aforesaid Central Administration shall be merged with the budget of the Organization. Without prejudice to the stipulations of law N° 43 of 1979 concerning the law of local governments and its executive statute; it is bereby decided that all posts of veterinary officers and their assistants at Governorate levels are to be transferred to the Organization as memorial posts. However, all necessary financial allocations concerning their selaries and allowances should be included into the governorate's budgets.

Article 19: The Organization shall replace the Central Administration of animal health at the Ministry of Agriculture. The Organization shall take over all affairs folling within the competence of the Administration as set forth by laws and statutes. The Organization shall also take over all buildings, furniture, equipment, tools and machines belonging to the Administration.

- Article 2D: Any stipulation that goes contrary to the stipulations of this Decree shall be considered null and void.
- Article 21: This Decree is to be published in the Official Gazette and shall enter into force as of the following day of its publication.

Drawn up at the Presidency of the Republic on Shaaban 4, 1404 H. corresponding to (May 15, 1984).
